Barn Dance and Dinner to be first event held at Kreger Farm!

The Committee to Preserve and restore Franklin's Kreger Farm Buildings will host the first event to be held at these community facilities on Saturday, October 10th at 6pm. The Barn Dance and Dinner, a fundraising event, will include great food, dancing instruction and a cash bar. Tickets are \$50 each, with \$37 being tax deductible. Only 200 tickets will be sold so organize a group night, or make it a date night and prepare to dance your boots off! "Creative Cowboy" attire is suggested. Adults only please.

"This is a great opportunity to help celebrate the progress to date in the moving, preservation, and restoration of the historic Kreger Farm buildings and is an example the type of activity that will be possible once the buildings are fully restored," said Lew Eads, Franklin's Cable Board representative and member of the Kreger Farm Team.

Tickets are available at the Kreger Farmhouse during the Franklin Round Up on Labor Day, and after Labor Day at the Franklin Village Office, 32325 Franklin Rd., the Franklin Village Boutique, 32749 Franklin Rd., Yanke Designs 32611 Franklin Rd., or by calling John Pulker, 248-538-0183.
